mf *sotto voce*

1. Show pi - ty Lord, oh Lord for - give,
2. My crimes are great, but not sur - pass
3. Oh wash my soul from ev' - ry sin,
4. Yet save a trem - bling sin - ner Lord,

let a re - pen - ting re - bel live:
thy pow'r and my glo - ry of Thy grace:
and make my guilt - ty con - science clean,
whose hope still hov' - ring round Thy word,

Are not Thy mer - cies large and free?
great God Thy na - ture hath no bound,
here on light on heart the sweet bur - den lies,
would light on some sweet pro - mise there

May not a si - ner trust in thee?
so let thy of - pard' - ning love be found.
and past thy - fen - ses pain my eyes.
some sure sup - port a - gainst des - pair.
